## The World Mission Rosary for Children

Children praying for peace in their own families and in all the families of the world!

"The Most Holy Virgin in these last times in which we live has given a new efficacy to the recitation of the Rosary to such an extent that there is no problem, no matter how difficult it is, whether temporal or above all spiritual, in the personal life of each one of us, of our families... that cannot be solved by the Most Holy Rosary. There is no problem, I tell you, no matter how difficult it is, that we cannot resolve by the prayer of the Holy Rosary."

Sister Lucia of the Immaculate Heart of Mary

"In the End  
My Immaculate Heart  
will triumph"

At Fatima Our Lady said "Continue to pray your rosary every day to obtain peace in the world."

While children meditate on the mysteries of the ' World Mission Rosary, ' it also gives parents and teachers an opportunity to stretch the imaginations of children as they cross spiritual borders. as they unite in a missionary spirit with other children throughout the world to pray for their own family and all the families of every continent of the world.

School time is a good time to pray the rosary for families.
