

My Promise

Dear Mary, my Mother,

Pope Blessed John Paul II told the children of the world that you need our help. He said you need us to help you, like the Little Shepherds of Fatima did, to console Jesus Who is sad because of all the sin in the world.

I would like to begin to follow the way of

Blessed Francisco,

to visit Jesus often in the

Most Blessed Sacrament to console

His Most Sacred Heart.

Because I love you too, I also
desire to be like

Blessed Jacinta,

to console your Immaculate Heart,
and to offer prayers and sacrifices
for the conversion of sinners.

I promise to *pray and work* to become a missionary
of your Immaculate Heart, in my parish, school and family,
to fulfill your requests at Fatima, so that you can bring
peace to our families and the world.

Love, Your Child
