RE: Worldwide Children's Eucharistic Holy Hour (Gather the children of the world before Jesus)

1916, World War I was raging. His Holiness, Pope Benedict XV reported he was finished with man's wisdom..." I am turning to God's folly, sacrifice and the prayers of children..." He did just that. We have attached his homily, delivered on July 30th, 1916 **highlighting the powerful intercession of our world's children.**

We presume, because there are no coincidences from God, that the prayers of our world's children on that memorable day accomplished two things:

- Saved the souls of many soldiers (which initiated with treasure sheets, more later)
- Spiritually laid a preparation for the Fatima Message

After a great gathering of children throughout the world, it was only a few months later on May 5th, 1917, Pope Benedict XV called for the Catholic world to prayerfully petition the Queen of Heaven, under the title of Queen of Peace, to pray for peace. Nine days later Our Lady responded on May 13th, 1917, when she appeared to the three Little Shepherd Children, entrusting them with a message for the Holy Father and a **bonus, a guaranteed peace plan from her own Immaculate Heart.**

She told the children, and we can certainly surmise that our Lady knew the Holy Father would hear of her message. "The soldiers will be coming home soon..." (October 13th, 1917)

Nearly 100 years later in anticipation of the Anniversary in 2017, Children of the Eucharist, Young Missionaries of the Immaculate Heart of Mary, of the International World Apostolate of Fatima, invites our world's clergy, teachers, parents, grandparents etc. to gather the children in their CARE before Jesus in the Most Blessed Sacrament, on First Friday, October 7th, Feast of Our Lady of the Most Holy Rosary, in their own parish churches and chapels, spiritually uniting the children of the world in prayer to adore Jesus, Entrustment to Our Lady's Immaculate Heart and to pray the Rosary for PEACE.

This is easy to do, free, and more spiritually powerful than any nuclear exchange.

MOST REVEREND BISHOP ANDREW COZZENS WILL BE LEADING THIS HOLY HOUR LIVE FROM THE NATIONAL SHRINE OF SAINT PAUL THE APOSTLE, Saint Paul, MN

EWTN WILL BROADCAST LIVE TO OVER 140 NATIONS. Please view his video on our website, www.childrenoftheeucharist.org

Our children are in peril. Their faith is in crisis. Gather our world's children into the Presence of our Eucharistic King Jesus, allowing Jesus to *'fan the flame of faith'* in their souls, would be one of the greatest things we can all do. **PLEASE HELP!**

In her Immaculate Heart, President: Mrs. Connie Schneider, Maureen Wong
